

Issue/Dates	Topics	Events
ZKG 1 2023		
ECD: 09.12.2022 ACD: 18.01.2023 PD: 09.02.2023	<ul style="list-style-type: none"> – Alternative fuels – Kiln systems, burner technology, refractory technology – Filter and dedusting, waste heat recovery – Clinker cooler and crusher, wear protection – Storage, silos, halls and domes, stackers and extraction systems, conveying technology – Software, digitalization, Industrie 4.0 	<p>08.03.-10.03.2022 FILTECH Cologne/Germany</p> <p>15.02.-16.02.2023 ICCC 17th International Conference on Cement and Concrete, London/UK</p> <p>27.03.2023 9th International Drymix Mortar Conference idmmc9, Nuremberg/Germany</p> <p>29.03.-30.03.2023 SOLIDS Dortmund Dortmund/Germany</p>
ZKG 2 2023		
ECD: 30.01.2023 ACD: 08.03.2023 PD: 30.03.2023	<p>Special issue IEEE-IAS/PCA Cement Industry Technical Conference</p> <ul style="list-style-type: none"> – Grinding, cement mills – Process monitoring and automation, process and quality control – Pneumatic transport – Filling plants, shipping, loading and unloading – Dedusting and filter technology 	<p>23.04.-27.04.2023 65th IEEE-IAS/PCA Cement Industry Technical Conference, Dallas, TX/USA</p>
ZKG 3 2023		
ECD: 10.03.2023 ACD: 17.04.2023 PD: 10.05.2023	<ul style="list-style-type: none"> – Alternative fuels – Storage, silos, halls and domes, stackers and extraction systems, conveying technology – Binder systems, construction chemistry, additives and compositions – Automation and process control – Software, digitalization, Industrie 4.0 – Drive technology and gear units 	<p>15.06.-17.06.2023 General Meeting of the Federal Association of the German Lime Industry e.V., Lübeck/Germany</p>
ZKG 4 2023		
ECD: 27.04.2023 ACD: 02.06.2023 PD: 27.06.2023	<ul style="list-style-type: none"> – Quarring and crushing, extraction and storage – Mills and mill design – Blowers and fans – Drive technology and gear units – Lime and gypsum plant engineering – Packaging and palletizing technology 	
ZKG 5 2023		
ECD: 02.06.2023 ACD: 12.07.2023 PD: 03.08.2023	<ul style="list-style-type: none"> – Alternative fuels – Emissions monitoring, environmental technology – Kilns, burner systems, refractory technology – Clinker coolers and crushers – Drive systems, gear units, lubricants – Software, digitalization, Industry 4.0 – Storages, silos, industry facilities and domes, lift trucks and removal systems, conveying systems 	
ZKG 6 2023		
ECD: 06.07.2023 ACD: 15.08.2023 PD: 06.09.2023	<p>Special issue for POWTECH</p> <ul style="list-style-type: none"> – Plant engineering for lime and gypsum plants – Blowers and fans – Binder systems, construction chemistry, additives and compositions – Software, digitalization, Industry 4.0 – Weighing and conveying systems, wear protection – Packaging and palletizing systems – Automation and process control 	<p>13.09.-15.09.2023 21st International Conference on Building Materials – ibausil, Weimar/Germany</p> <p>26.09.-28.09.2023 POWTECH 2023 Nuremberg/Germany</p> <p>September 2022 VDZ-Jahrestagung Düsseldorf/Germany</p> <p>October 2022 ILA General Assembly and Information Exchange Forum</p>
ZKG 7 2023		
ECD: 25.08.2023 ACD: 02.10.2023 PD: 25.10.2023	<p>Special issue for Arab International Cement & Building Materials Conference and Exhibition</p> <ul style="list-style-type: none"> – Blowers and fans – Excavators, reclaimer – Belt and chain conveyor, bucket elevator – Control systems and technology – Energy saving, repair and maintenance, wear protection – Dedusting and filter technology 	<p>November/December 2023 Arab International Cement & Building Materials Conference and Exhibition (AICCE)</p>
ZKG 8 2023		
ECD: 12.10.2023 ACD: 20.11.2023 PD: 12.12.2023	<ul style="list-style-type: none"> – Storage, silos, halls and domes, stackers and extraction systems, conveying technology – Kiln systems, burner technology, refractory technology – Process monitoring and automation, process and quality control – Weighing technology, repair and maintenance – Filling plants, shipping, loading and unloading – Packaging and palletizing technology – Software, digitalization, Industrie 4.0
